

Black students hardest hit by:

TWO PANDEMICS

COVID 19 & ANTI-BLACK RACISM

WE DEMAND OUSD: KEEP BLACK STUDENTS, FAMILIES AND TEACHERS SAFE - FROM BOTH!

STOP THE HARM

- Ensure safe and equitable **access to learning** for all Black students

- No School **Closures**
- Close the Black **Digital Divide**

REPAIR THE HARM

- Create a multi-million **reparations fund** for Black students & schools

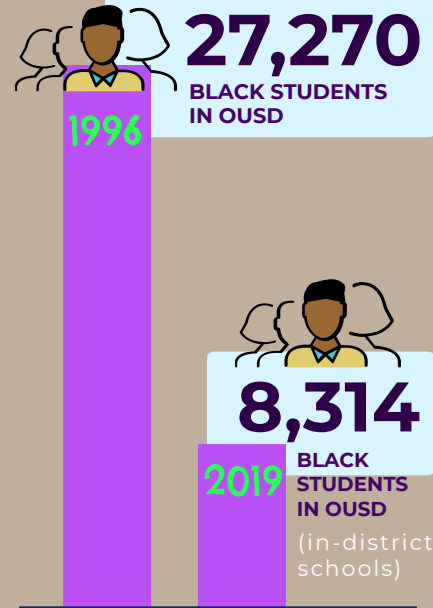

- Vulnerable Black families must have **basic needs met**
- Dismantle **Schools to Prison** pipeline

CENTER BLACK THRIVING

- Invest in and redesign **Community Schools** to center Black thriving

- Recruit and retain **Black teachers** and principals
- Create an **anti-Racist culture** in our schools and district

Decades of disinvestment, closing 16 historically 'Black' schools, and a culture of anti-Black racism - has led to push out and generations of harm
